Tae-Young Oh (HCP 14)

Jong Kyun Hong (HCP 18.5)

Jason Rou (HCP 16.2)

Jos Leinarts (HCP19.8)

Next up, match with De Peelse 2 in Echt-Susteren GC.

Echt-Susteren GC is famous by its narrow fairway and water hazards are mostly hidden under the trees. In this competition match, Jong-Kyun has his ever first competition in career, at such a challenging course that he stayed calm and played smart. As his captain, I'm very proud of him.

De Peelse GC is a great course with many water hazards, it's not a long distance course but definitely narrow fairway where fairways are well designed to capture your ball into hazards. With that in mind, De Peelse 2 team was expected to be a well balanced team in golf skills, and we figured out they are!

Bang!! Surely, De Peelse started the match with punishing punches in single matches. In the first 4 single matches, we lost 2 straight. Only won 9 holes while lost 15 holes already. With this absolute tension, our team fought back in the last 2 single matches! Won 15 holes while only lost 1 hole. Hey!! our team does know how to make one loves golf more, especially, after a competition like today.

After entered into green-some, again, De Peelse stayed very strong! The winner was decided until the last flight! We were very humble and won the game. De Peelse 2 showed us clearly on what aspects to work on as our home-works. A lesson learnt. We will carry on towards the final match!
